Meet the DC Adventure Team

Tim Pflieger - is the founder and president of the Team Leadership Center. He is a teacher of adventure education, humanistic education and leadership

development. Tim holds a Masters of Science in Education. He is a certified instructor for NWTTC, holds an ACA coastal sea kayak instructor certification, is certified as a high ropes instructor and is a nationally registered EMT.

Tim is known for his direct and energetic style of teaching people how they lead and function in a group. Tim is a sought after inspirational speaker, master of ceremonies and keynote speaker.

In 2010 Tim created Door County's first paddle shop called Kayaking Adventures Door County to provide tours, kayak sales, workshops and outfitted/guided trips. He continues to combine his passions and adventure in all his endeavors.

In 2012, TLC rebranded as DC Adventure Center to include all adventure endeavours under one name.

Corporate Team Building and Leadership Development

Corporate programs are designed to specifically identify and provide outcomes to enhance team cohesion and leadership skill development. All programs are intended to challenge team function, provide team unity and reduce dysfunction. Listed below is a training sequence for teams to embark on. These curriculum topics can also be provided to teams as special events.

Team Building Progression

Adventures in Team Building

This 'hands on' adventure features a collaborative leadership model that explores group communication, trust and respect, group dynamics, problem solving skills and leadership styles. Your team will walk away from this adventure excited and re-energized with new direction. The six-hour program incorporates the 'Seven Stages of a Collaborative Team' curriculum into the day. Lunch is included with this adventure. A 30-45 day follow up is available upon request.

Adventure Race or Eco Challenge Adventure

This adventure was created to build off your team's previous team building experience. Your team has the opportunity to choose the following delivery of curriculum: The Adventure Race is a scavenger hunt type race with micro team and whole team challenges. The Eco Challenge is a full team challenge through the wild areas of Door County navigating by GPS coordinates to find each activity location, lunch and home again. Our wellness guide will be waiting at benchmarks with exciting new obstacles!

Leadership Breakthrough

This full-day program is cutting edge, it will challenge leaders from all walks of life. Leadership Breakthrough provides you with a measure of your leadership tendencies and capabilities while requiring participants to work through unique challenges. Practicing personal leadership in a group setting, participants will experience how to be more confident and successful as leaders. Participants will become aware of strategies to breakthrough leadership limitations and have greater influence with the people around them.

Team Building Breakthrough

This two-day, overnight retreat takes place in Door County, WI. The program includes the opportunity for your team to participate in team and high ropes challenges while focusing on collaboration skills. Incorporated in the program is a segment focused on coaching. All participants will return back to work with a personal coach with the foundation set to move forward into the future. A 30-45 day follow up is included and a team transfer project assigned to assist with the transition back to work. This program includes lodging, meals, instruction and all program supplies.

Call today to register your team for its unique adventure! (920) 746-9999

Eco-Challenge

New for 2013! Rowleys Bay Resort Package

Team members will participate in a package featuring a canopy zip line tour, segway tour and Mink River paddling tour. The morning features a canopy zip line tour, while the afternoon brings team challenges to the water with tandem kayaks, solving riddles, maneuvers and leadership challenges. The focus throughout the day is problem solving with the team, following leadership direction and arriving at marked destinations while working towards a common goal. This program is filled with zip lines, kayaks, segways and teamwork adventures that keeps the team physically active and mentally invested. Unique roles, challenges and adventure await those teams ready for a fun and rewarding time!

Strategic Planning Facilitation

Make the most of your next retreat. Strategic planning facilitated by our superb trainers will inspire focus and move your team in a positive direction for the future. Our facilitating team will guide your team through two to three full days of planning by specifically defining the organizational function while providing a clear vision for the future. This is accomplished in the following four stages:

- 1. Inventory of Participants & Resources**
- 2. Dialogue of Past & Future Needs**
- 3. Prioritizing & Action Planning**
- 4. Establishing Guiding Coalitions**

School and Youth Adventures

At DCAC we recognize the connection between experience, learning and personal development when working with youth. Our adventure-based curriculum encourages an increase in awareness of personal potential and ways to transfer skills gained back to the classroom, friendships, families and more.

Team Building & Leadership Adventures

DCAC's high energy, fun, hands-on curriculum is suitable for elementary, middle and high school audiences alike. It focuses on:

- Effective Listening
- Building Trust & Respect
- Making Healthy Choices
- Personal Accountability
- Success & Celebration

This adventure is an effective tool for self-esteem and self-confidence enhancement. DCAC assists participants in recognizing themselves as successful and effective leaders.

New Programs

Anti-Bullying Presentations were developed to assist in the awareness of bullies amongst us, how to manage them and not allow them to affect our attitude. This program comes to you and is perfect for elementary and middle schools.

Freshman Mentor Program was created in direct response from our school clients to assist students with their transition into high school. This program assists in the development of students and partners them with upper-class mentors. We provide training for the role of mentoring and activities for the mentors to facilitate with their freshman groups.

Athletic Team Adventures

DCAC's specially designed athletic team adventure creates a new level of collaborative team work to draw upon when you compete against your opponents. Our team has assisted in the development of champion high school, collegiate and professional athletic teams.

School & Youth Adventures

School Staff Development

These adventures will meet your staff development needs in a successful and energizing way. Teachers, administrators and support staff will gain expert knowledge which will assist with personal energy and leadership perspective throughout the entire school year. Programs can be delivered at the Team Leadership Center, SNC or your school. Programs will be designed to fit within your available time.

Example topics to focus on:

- Adventures in Team Building
- Igniting Your Passion
- Mind Over Mattress
- Understanding Leadership Perspective
- Stress & Time Management
- Anti-Bullying Curriculum
- Freshman Mentor Programs & MORE!

Youth Group Adventures

DCAC will customize a program that fits the needs of your youth membership. We can accommodate half, full, or multi-day adventures that can be facilitated on site at TLC, throughout Door County, the St. Norbert Challenge Course or even the state! Whether it is recreational or works on skill development, we will keep your outcomes and goals the focus of the day.

DCAC has worked with many youth organizations over the years. Contact our team to discuss your groups needs.

Day Zip Lining

Adventure Zip Line Tour Flying Squirrel

The general public is invited to get off the ground and enjoy the thrill of our adventure zip line tour and flying squirrel. The tour takes you on multiple zip line rides in varying lengths. This is the longest and highest and zip tour in Door County, with a 750 ft. long ride. The flying squirrel is another exhilarating activity that includes a group of people hoisting one participant 30+ feet into the air to fly through the sky with laughter and butterflies.

- Open to the public Memorial Day - Labor Day
- Open Saturdays in the Fall, thru December
- "Zip thru the Holidayz" with us in Dec 2013!

All You Can Zip Tours

Are you tired of paying full price for one tour? We want to offer you a full night of fun and relaxation this summer. Bring your family, make a picnic out of it and zip line as the sun sets on our beautiful 80 acres. Try the Flying Squirrel, ask us to set up other climbing elements and make it a total celebration for the group. Get to know your guides, and zip into the night on Thursday evenings open in July and August. Call today!

Participants Say....

"My family of 9 visited The Team Leadership Center the last week in July. WE LOVED IT! We did the zip line, flying squirrel and went kayaking. The staff is wonderful - fun, professional and very proficient at what they do. Our TLC experience and safety was their top priority. It was so much fun and good memories were made. All this in the beauty and charm that is Door County. We will be back next year. Thanks, TLC!!" -J. Peterson, Onalaska, WI
